**FORM 51-102F1
MANAGEMENT'S DISCUSSION & ANALYSIS
FOR THE THREE AND SIX MONTH PERIODS ENDED JUNE 30, 2019**

The following discussion and analysis should be read in conjunction with the financial statements of the Corporation for the three and six month periods ended June 30, 2019 and all of the notes, risk factors and information contained therein.

Date

This management discussion & analysis ("MD&A") is dated August 23, 2019 and is in respect of the three and six month periods ended June 30, 2019.

Overall Performance

Petrox Resources Corp. ("Petrox" or the "Corporation") was incorporated under the Business Corporations Act (Alberta) on February 25, 2011. On December 29, 2011, Petrox completed its initial public offering of 3,000,000 common shares at a price of \$0.10 per share for gross proceeds of \$300,000, and it was classified as a Capital Pool Company as defined in Policy 2.4 of the TSX Venture Exchange ("Exchange").

On May 31, 2012, the Corporation completed its Qualifying Transaction ("QT"), consisting of the acquisition ("Acquisition") of certain oil and gas assets (the "Richfield Assets") from Richfield Oils Inc. Pursuant to the Acquisition, Petrox acquired the Richfield Assets from Richfield, in exchange for which the Corporation issued to Richfield an aggregate of 3,000,000 common shares in the capital of the Corporation at a deemed price of \$0.25 per common share for a total deemed price of \$750,000.

On June 2, 2014, the Corporation completed the acquisition of certain oil and gas properties located in the Fletwode area of Saskatchewan ("Fletwode Properties") for \$2,100,000. These properties include six oil producing wells with a combined producing rate of approximately 40 barrels per day and a total proven plus probable reserve of 166,000 barrels.

On September 1, 2015, the Corporation announced that the amalgamation agreement providing for the proposed amalgamation transaction between the Corporation and Shanghai Sinoil Energy Holding Corporation has expired and was then terminated. The termination of this proposed amalgamation was due to a number of factors, including the substantial drop in the oil price and the volatility of the oil market since the fall of 2014.

On November 14, 2018, the Corporation announced that it has terminated the Amalgamation Agreement among the Corporation, TrueNorth CX Inc. ("**TrueNorth**") and Petrox's wholly-owned subsidiary, 2123054 Alberta Ltd.

On April 9, 2019, the Corporation announced that it had signed a non-binding letter of intent (the "**LOI**") with Travel Plus International LLC, a limited liability company organized under the laws of California ("**Travel Plus**"). The LOI outlines the general terms and conditions pursuant to which Petrox and Travel Plus would be willing to complete a transaction that will result in a reverse take-over of Petrox by the securityholders of Travel Plus (the "**Transaction**"). The Transaction, if approved, will constitute a Reverse

Takeover transaction and a Change of Business under the policies of the TSX Venture Exchange (the “TSXV”). The Transaction is an arm’s length transaction.

The LOI provides that pursuant to the Transaction, Petrox will complete a 10:1 consolidation of its common shares and that Petrox will acquire all of the issued and outstanding shares of Travel Plus from the existing shareholders of Travel Plus in exchange for 35,325,484 post-consolidation shares of Petrox. The LOI provides that if the consolidation is completed other than on a 10:1 basis, the number of Petrox shares that will be issued in exchange for the Travel Plus shares will be adjusted accordingly.

The Transaction will be structured by way of a plan of arrangement, amalgamation, takeover bid, reorganization or other similar form of transaction, as determined following a review of all relevant legal, regulatory and tax matters. The LOI contemplates Petrox and Travel Plus entering into a definitive agreement with respect to the Transaction prior to or on July 31, 2019 or such other date as may be agreed upon by the parties, failing which the LOI will be terminated.

In connection with the Transaction, it is contemplated that Petrox will change its name to “Travel Plus International Ltd.” or such other name as may be requested by Travel Plus and accepted by Alberta Registries and the TSXV. It is also contemplated that the then current directors of Petrox will resign to be replaced by nominees to Travel Plus.

Additionally, concurrently with the completion of the Transaction, it is intended that all of the assets and liabilities of Petrox held just prior to the closing of the Transaction will be transferred to a newly created wholly-owned subsidiary of Petrox and that all of the shares of the subsidiary will be distributed to the shares of shareholders of Petrox on record at the time of the distribution (the “**Spin-Out Transaction**”). This subsidiary will be spun-out at the closing of the Transaction. The Spin-Out transaction will be completed by way of a plan of arrangement to be approved by the shareholders of Petrox and by the Court of Queen’s Bench of Alberta.

The LOI provides that completion of the Transaction is subject to a number of conditions including the approval from the Petrox shareholders of the proposed consolidation and name change, approval from the Travel Plus shareholders of the Transaction and approvals from the TSXV, securities regulators and third parties as may be required.

Subsequent Events

On July 29, 2019, the Corporation announced that the deadline to enter into a definitive agreement with respect to the Transaction with security holders of Travel Plus has been extended to November 30, 2019 or such other date as may be agreed upon by the parties, failing which the LOI will be terminated.
